Dear Sir,

The bearer Ann Jackson, I have known for many years, she is a worthy industrious woman, & a widow. I am sure she would not apply for assistance, if she was not in real want.

Jan'y. 9. 1796 Cash 4 Dollars Yours—

Mr Cumpston. Robt Blackwell

The Bearer Michael Duffey appears me he has long been a member of our Church & constantly attends. He is in distressed circumstances & applies for relief – if you can give any thing from the charity collected I hope it will be well bestowed. The only thing I can further add in recommendation is, that he lost his right hand by the Cold Season in the service of the United States –

9th Jan. 1790.

I am respectfully
